REFUNDS

In order to request a refund, a written email should be sent to hello@albemarlecountyvolleyball.com with a detailed explanation for the request. After the request has been received, we will review and make a decision to move forward with the refund and how much of the cost will be refunded.

Refunds will be issued due to:

- Injury
- Moving out of area
- Not filling team roster due to lack of participation

Refunds will NOT be issued due to:

- Weather cancellations
- Unhappy with team assignment
- Scheduling Conflicts

In the event that the player was medically unable to participate in the sport she had registered for, a note from a doctor on letterhead indicating that the player cannot participate is required.

If a parent has requested a refund due to medical reasons prior to the start of the season (prior to the start of practice), they will receive a refund minus \$50 administration fee and the cost of player equipment (game jersey, practice t-shirt, bag).

The amount of money that is refunded is contingent on how much of the season has passed as well as the reason for the refund. For example, a child who suffers an injury with only a short time left in the season will likely not warrant a refund as the entire cost of the season has already been incurred.

If a parent can provide proof that the child is moving out of the area, then a refund minus \$50 administration fee and cost of equipment will be granted.

In order for our Select League to be successful we must meet a certain amount of participants to fill a team roster.

Refunds that are awarded will be returned in the following way:

- Credit Card Return – If a parent paid for the registration in question using a card, the amount will be returned to that card's account minus any fees stated above. We are unable to cut a check for any registration paid via a credit or debit card. This usually takes between 5-7 business days.
