

BOYS' VOLLEYBALL

OPEN HOUSE MAY 2nd!

UPCOMING PROGRAMS

- **Summer Clinics**

Middle School clinics are all coed and most High School clinics are separated (some positional clinics are coed).

- **Fall House League**

This is a rec program. Teams are formed based on age, skill level, and practice location preference. Teams are multilevel and will have a variety of skill levels playing together within an age group.

- **Winter/Spring Select League**

This is a more competitive league that requires try-outs for team placement as well as more practice hours, longer match days, and a longer season in general.

OPEN HOUSE

Join our ACVC men for a Boys Volleyball Open House! Start off watching our guys play one set as they demonstrate the power, agility, and strategy behind the game of volleyball. Afterwards, join them on the court for contests including a Hard-Hit Contest checked with a radar gun! Not ready to step on the court? Hang around and talk with some of the guys, learn more about new boys' volleyball opportunities at ACVC, or just enjoy watching the contests!

Space is limited so please register ONLINE at:

www.albemarlecountyvolleyball.com/boysvolleyball
